JKC

Jkcmc Cce

Dear Principals and JKC Coordinators,
You are aware that CCE -JKC had an MoU with CISCO-EDUSKILLS in the first week of November, in this connection to run the programme which is partially technical it is requested to all to equip your existing labs for the upcoming programme. The Programme consists of different short term courses out of which CCNA and Dev Net are technically and globally acceptable courses. Hence to train these courses in 50 colleges CCE has planned to train all Computer science faculty (regular) and also few mentors for 18 days as FDP.

The Colleges ensure the following :

Internet Leased Line (your local preference-AP Fibre/BSNL/JIO etc)

Repairs to existing ELL/JKC/Computer lab for this programme (computers/laptops)

Wifi Connectivity

Selection of students and Execution of Course

Annual maintenance Centre Fee Rs23,600/- per annum to Cisco Eduskills (details will be sent to you soon)

Training to the faculty (@Rs10,000 per faculty -Training fee expenditure will be borne by CCE-JKC)

83
02.11.2020

This is one of the prestigious programme under CSR initiative CISCO has provided to CCE, and hence requesting all principals to make it grand success and this will definitely help the students to face the global market with a great confidence

The details of ToT (Virtual Training) and other issues will be communicated to the colleges shortly through mail.

Thank you,

With regards,

Dr.G.Srinivas,M.Sc,B.Ed,Ph.D

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding is signed on the last date of signatures below ("Effective Date") between Commissionerate of Collegiate Education, Govt of Andhra Pradesh having its office at ANR Towers, 1st Floor, Prasadampadu, Vijayawada, Andhra Pradesh- 521108 (hereinafter called as CCE, Govt of Andhra Pradesh)

and

Cisco Systems India Private Limited ("Cisco") having its registered office at SEZ, Cessna Business Park, Marathahalli-Kadubeesanahalli Outer Ring Road, Kadubeesanahalli Village, Varthur Hobli, Bengaluru 560 103, Karnataka, India (hereinafter called "Cisco"),

hereinafter, each a "Party" or together, "the Parties".

The Parties have been discussing a proposed collaboration in the area of "**Skill Development, IT Education and Workforce Development Programs**" ("Collaboration Areas").

Cisco Networking Academy is a global workforce development program for learning institutions and individuals worldwide. More than 10.9 million people have joined the Networking Academy and become a force for change in the global economy since 1997.

Networking Academy is one of the pillars of Cisco's Corporate Social Responsibility and delivers classroom instruction, online teaching materials, interactive tools, and hands-on learning to students from every socio-economic background, so that they can develop the knowledge and skills required to succeed in a technology-driven market.

Now the Parties agree as follows:

A. NON-BINDING BUSINESS TERMS.

The Parties understand that this MOU is intended only to summarize the current business understanding of the Parties with respect to the Collaboration Areas and to facilitate their further discussions regarding certain objectives of the proposed partnership, as more fully described in Exhibit A, which are non-binding on the Parties. The terms and objectives set forth in Exhibit A shall be used for discussion purposes only and shall not be deemed to create any rights or obligations for or on behalf of any Party.

The Parties hereby acknowledge and agree that either Party may unilaterally terminate all negotiations at any time without any obligation or liability by giving the other party written notice. The Parties agree to proceed at their own risk and expense regarding the subject matter of this MOU until the execution of the definitive agreements if any or termination of negotiations, whichever is earlier. This MOU is non-exclusive and neither Party shall be precluded from entering into similar transactions with any third parties.

Each Party acknowledges that the other Party has not given it, nor has it relied on, any representations or assurance of future revenues, sales opportunities or profits arising from or in connection with the subject matter of this MOU. The Parties acknowledge that neither Party is justified in acting in reliance upon any promises nor representations of present intention purported to be contained in this MOU. Nothing in this MOU will exclude any liability which one party would otherwise have to the other party in respect of any statements made fraudulently.

Rc.No.155/ JKCMC/Strengthening of JKC/2020-21, dated 13/10/2020

**Sub: Strengthening of JKC by introducing Short term courses – TCS and IBM P-Tech
through e Skilling Govt of India Initiative- Reg**

In connection with the Strengthening of JKC and to enhance employability skills and competence in the students in the Covid-19 scenario, CCE has planned to introduce skilling through e learning model by collaborating with reputed training agencies like TCS, IBM and Mind map etc. In this connection TCSiON has come forward in the month of September with life skill short-term course (25-36 hours) which is implemented in all 120 JKC and for which 8000 students have registered.

In similar lines IBM OPEN P Tech in collaboration with NASSCOM and MINDMAP has designed a short-term course for the students which comprises the essential 21 century foundation skills called **Digital Foundation Programme Course** consists of

- i. Artificial Intelligence foundation
- ii. Block Chain essential
- iii. Data Science foundation
- iv. Cyber Security fundamentals
- v. Enterprise Design Thinking
- vi. Professional Skills in digital worlds

This Course consists of Basics of the six themes comprising of 36 Hours and by completion of each level the student will get a IBM batch. This P-Tech platform is also useful all students in the following
