As an Academic Reform under RUSA, the effort is a step towards realizing the Government's vision to transform Andhra Pradesh into a knowledge hub and empower its students with knowledge and skills. Through LMS, teachers utilize various pedagogical practices like video lessons, Power Point presentations, problem solving tasks, question banks, case studies, and projects to promote active learning in students leading to effective transfer of knowledge and skills to students in and outside the classroom. Teachers are encouraged to explore few time-tested and practical pedagogical examples implemented across the world and design pedagogical methods that suit their students to ensure good learning outcomes.

THE CURRICULAR FRAMEWORK FOR UG - ARTS : UG-SCIENCE AND UG-COMMERCE ARE.
