IQAC ANNUAL REPORT 2023-24

As per the academic calendar, all staff and students actively participated in the admissions campaign for the 2023–2024 academic year. To attract intermediate pass students to consider their college for admission to degree programs, the campaign was conducted at local government and private junior colleges.

Over a three-week period, faculty members conducted orientation sessions, introducing students to key aspects of the institution. Topics covered included the college profile, Jawahar Knowledge Centre (JKC), National Service Scheme (NSS) programs, and anti-ragging initiatives, along with other available facilities and resources.

After the Regular academic classes were held from July 2023 to April 2024. After completing the syllabus and mid-term examinations, remedial classes were organized for students who required additional support in their studies and exams.

All-important national events and days were celebrated in memory of the previous history. As per the guidelines of autonomy all the departments have conducted Board of Studies for designing the syllabus and also participated in Academic Council during the academic year 2023-24

Academic calendar and Hand Book was prepared for the academic calendar year 2023-24 by the academic coordinator along with controller of examination.

Seminars and workshops, Guest Lecturers were conducted by various Departments. Student study projects were taken up the result analysis was prepared department wise after result has been announced.

Students completed 4-week community service projects (CSP), 2- months Internships and Semester Internships as a part of curriculum

Conducted online feedback on curriculum and SSS from the students, faculty, alumnae and other stakeholders for the submission of AQAR of the academic year 2023-24.

To create Awareness among the students about environmental cleaning. Clean and green and Vanam-Manam program was conducted by the NSS volunteers and students. Under JKC platform various job melas were conducted and campus drives were taken up by various companies to the students.

The Smart class rooms (Virtual and Digital Class rooms) were utilized. Students for MOOCS and LMS were enrolled. WEC activities were conducted. The faculty were informed about FDP's and to undertake Minor Research Projects and area of research has to be strengthened
