EXAMINATION REFORMS

- # Reforms :

Results Declaration: The Declaration of results through our college Exam portal website.
Impact: The individual student can see his/her results by enter his/ her Hall ticket Number in the Exam   portal website results page.

1. **Online Grievances:** After declaration of results, there was an online grievance google form established in the college exam portal website.
   Impact: The individual student able to fill online grievances Google form if he/she noticed any discrepancy in the online result when compared to previously the student submits his grievance through paper.

2. **Result Analysis:** The Controller of Examination constitutes a committee for a detailed analysis of the results, after the publication of ESE results. The committee examines the results in the light of previous performance and provides some valuable insights into student performance and evaluation methods. The Result Analysis is compiled by the CoE and is shared with all faculty members.
   Impact: Result analysis has ensured concentration on student performance and has been able to identify areas of improvement in teaching-learning methodology.

3. **Examination Calendar (EC):** The practice of preparing and adhering to an Examination Calendar was initiated. The EC is prepared in consultation with Heads of the Departments and the Vice-principal which is published in the college website and displayed in the college notice board for the benefit of the students. The Examination Department ensures a strict adherence to the calendar.
   Impact: The EC has brought in transparency in the examination procedure and has ensured timely conduct of examination and publication of results.

4. **Review and Retotaling:** After the evaluation of the answer script by the evaluator, the paper is reviewed by the reviewer and the paper is then re-checked for correctness and marks are retotaled to remove errors in totaling of marks.
   Impact: The procedure of retotaling of marks had led to an error free evaluation and quick publication of results. As a result of this procedure there has been a reduction in grievances and in application for re-evaluation and retotaling of marks.

5. **Fee Collection through Online** : Exam fee Collecting from SBCollect Portal.

- # Malpractice Committee:

The college takes a serious view of the unfair methods in all the theory and practical examinations. Cases of malpractice noticed at any stage are severely punishable.

Malpractices enquiry committee is constituted to dispose the cases of malpractices. The cases booked by the vigilance squad or by the invigilator are examined by this committee.

- # Practical Exams :

Practical exams are being conducted from the academic year 2015-16 onwards at the end of each and every sem for the science students.

- # CSP,Short-term Internship :
