Ravi Kumar, Sri.K.Pardha Saradhi.

1. INTERNATIONAL MOTHER LANGUAGE DAY - 21-02-2023.

International Mother Language Day celebrations were held at Sri Addepalli Satyanarayanamurthy Government College Palakollu. College Principal Dr .T .Rajarajeshwari presided over the program while Telugu Department Head Dr. B .Subbalakshmi acted as coordinator. Speakers said that human survival lies in the proper use of mother tongue, if mother tongue is read with love, all the ups and downs in life will be resolved positively. Telugu department head said that loving Telugu means loving mother, earth and nature. The word that comes out from the navel, combined with the feeling born from the intellect, becomes a juicy language in the Vishuddhi Chakra. He informed that Telugu language learning skills should be imparted to future generations like Sajeewa Godavari. College Vice Principal G .Srinivas, Ramakrishna, K Sirisha and others participated in this program.

National Science Day

ORGANISED BY DEPARTMENT OF CHEMISTRY

Conducted on: 28th February, 2023

Chief Guest: Dr T. Raja Rajeswari, M.Sc., M.Phil, Ph.D

Organised by: Department of Chemistry and Physics

Sri G. Srinivasa Rao

Smt. N. V. R. D. Prema Latha

Smt. P. Rama Mani

Sri A. Vamsi Subbarayan

Sri K. Jagapathi Babu

Kum. S. Pujitha

The Department of Chemistry and Physics have celebrated “National Science Day” on 28-02-2023.

The objectives of conducting National Science Day is

1. To create awareness among students about the significance of science and technology in our daily lives. to create awareness amongst the students, teachers etc. about protecting the Ozone Layer.
2. To encourage students to pursue science and technology as a career option.
3. To encourage interdisciplinary collaboration and promote the exchange of ideas among students and faculty members from different departments.
4. To foster a culture of scientific inquiry and critical thinking among students

Sri A. Vamsi Subbarayan of Chemistry Department in his introductory remarks revealed, The National Council for Science and Technology Communication (NCSTC) suggested the celebration of National Science Day on February 28 every year, in honour of the discovery of the Raman Effect. The Indian Government accepted the proposal, leading to the first National Science Day celebration on February 28, 1987.

Dr T. Raja Rajeswari, Principal, Sri ASNM Govt. College (A), Palakol, is the Chief guest for the event described the scientific overview and major scientific achievements by Indian scientists. The importance of Science in education and motivated all the participants to actively involve in research activities being carried out in departments.

Sri G. Srinivasa Rao explained the importance of acquiring knowledge from diverse fields beyond textbooks has been highlighted as essential for the holistic development of students.

As a part of Science Day Celebrations students spoke on various topics related to National Science Day, Sir C. V. Raman, the trends in research and development etc.

- 64 students from all departments attended the session enthusiastically. The event was well received by all students and faculty.
- After the speeches, the students interacted with speakers during the question-answer session.
- Students understood the continuing need to work together to prevent further harm to the ozone layer.
- Smt NVRD Padma Latha coordinated the whole programme.

NATIONAL SCIENCE DAY

DEPARTMENT OF PHYSICS

On 28-2-23 Department of Physics & Chemistry Celebrated National Science Day in B.Sc Digital class room from 3pm to 4.30 pm. Principal Dr. T Raja Rajeswari was the chairperson of the function. Principal addressed the students and staff and enlightened the students about the theme of the year Global Science for Global wellbeing. Later Lecturers from Physics & Chemistry departments explained about Life history and discoveries of Sir C V Raman and his achievements. Sri G Srinivasa Rao Lecturer in Charge of Physics & Sri A Vamsi Lecturer in Chemistry addressed the students about recent developments in Science. Later a few Students from I , II & III B.Sc spoke about works of Sir C V Raman in various fields. Dr. Rama Krishna Lecturer in Zoology Spoke about the importance of National Science Day. The meeting concluded with Vote of thanks by Smt . N Padma Lata Lecturer in Physics.
