Health Center

17-09-2024

On 17/09/2024 Sri A.S.N.M. Government (Autonomous) College, Palakol, along with Health care Centre Organized Albendazole Tablet Distribution programme on the occasion of "National De Warming Day" to the first year students of the college. In this connection, Dr. T. Raja Rajeswari, Principal of the college and Mrs. Venkatalakshmi, ANM of the local primary health center and their team administered Albendazole tablets to approximately one hundred students. The rest of the students were informed that Mapup Day will be given on the 25th of this month.

On this occasion, the college principal said that worms in the human body enter the body through contaminated food and water ,Which interfere with the intake of body nutrients and contribute to anemia, malnutrition and poor mental and physical development. In this program, Dr. M. Ramakrishna, NSS Unit-1 PO & Dr. V. D. Vijaya Lakshmi, NSS Unit-2 PO, Health Care Centre Convener Miss P. Jyotsna Sri, Miss D. Hepsi Rani , Lect. in Aquaculture and other teaching and non-teaching staff participated and made the programme a success.

17-09-2024

The Tree Plantation Programme, conducted on 17th September 2024, was organized by NSS Units I & II of Sri A.S.N.M. Govt. College (A), Palakol, under the guidance of the Principal, Dr. T. Raja Rajeswari. This college-level event saw the participation of 28 students and staff members, who actively engaged in planting trees to promote environmental sustainability. The primary objective of the programme was to raise awareness about the importance of trees, instill environmental responsibility, and teach proper tree-planting techniques. Participants were educated on selecting appropriate planting locations based on factors like soil type, sunlight, and water availability to ensure tree health and longevity. The event also emphasized the importance of community involvement, as local community members joined the college team in this collective effort, fostering a shared sense of responsibility towards nature. Additionally, awareness about the critical role of trees in maintaining ecological balance was promoted, with training provided on proper planting methods. Through this initiative, participants gained practical knowledge and developed a deeper commitment to sustainable practices and collective environmental stewardship. The event concluded successfully, reflecting the participants' dedication to creating a greener planet and inspiring future efforts in ecological conservation.

18-09-2024

The Swachhata Hi Seva (SHS) Pledge Programme, organized by NSS Units I & II of Sri A.S.N.M. Govt. College (A), Palakol, on 18th September 2024, was a significant initiative aimed at promoting cleanliness and hygiene as integral aspects of daily life. The event, led by the Principal, Dr. T. Raja Rajeswari, saw the enthusiastic participation of 350 students. Dr.T.Raja Rajeswari, in her inspiring address, highlighted the importance of cleanliness not just as a physical activity but as a mindset that fosters a healthier and more sustainable environment. She encouraged students to lead by example, promoting cleanliness and hygiene in their homes, neighborhoods, and college campus. The programme included a collective pledge, where students committed to maintaining personal hygiene, ensuring clean surroundings, and actively contributing to environmental sustainability. Dr.T. Raja Rajeswari emphasized that Swachhata Hi Seva is not merely an event but a movement celebrating, cleanliness and community responsibility, urging students to integrate these values into their daily lives. The programme fostered skills such as teamwork, collaboration, leadership, and initiative, while instilling values of cleanliness, social responsibility, and environmental sustainability. Concluding successfully, the event inspired participants to take ongoing steps toward fostering a cleaner and healthier community, aligning with the vision of a sustainable and responsible society.

19-09-2024

The Swachhata Hi Seva (SHS) - Plantation Programme, conducted on 19th September 2024, was organized by NSS Units I & II of Sri A.S.N.M. Govt. College, with the active participation of 60 students. Lead by Principal Dr. T. Raja Rajeswari and Vice-Principal Sri T. Krishna, the event aimed to enhance environmental awareness and foster a sense of responsibility towards ecological preservation. Dr. T. Raja Rajeswari emphasized the critical role of trees in maintaining ecological balance, providing clean air, and supporting biodiversity, inspiring students to take proactive steps in protecting the environment.

Sri T. Krishna commended the students for their enthusiastic involvement, highlighting their efforts to combat climate change and beautify the college campus. The programme involved planting a variety of saplings across the premises, with a focus on teaching proper techniques for planting and nurturing trees to ensure their growth and survival. Participants also mobilized their peers and community members, spreading awareness about the importance of trees in sustaining the environment. Through this initiative, students developed skills in volunteer mobilization and environmental education while cultivating values of responsibility, care, and commitment to the land. The programme successfully instilled a spirit of environmental stewardship, setting an example for future initiatives and reinforcing the college's dedication to creating a greener and healthier world.

National Service Scheme

20-09-2024

The Swachhata Hi Seva (SHS) interactive sessions, held on 20th and 21st September 2024 at Adavipalem and Yallavanigaruvu, were organized by NSS Units I & II of Sri A.S.N.M. Govt. College, with 50 students participating actively. Led by resource persons Smt. B. Madhavi, Panchayat Secretary of Adavipalem, and Sri. M. Nageswara Rao, Panchayat Secretary of Yallavanigaruvu, the sessions focused on addressing challenges related to cleanliness and waste management while promoting community engagement. Smt. Madhavi emphasized the importance of cleanliness for community well-being and encouraged participants to identify and resolve waste management issues.

Similarly, Sri Nageswara Rao inspired students to form local cleanliness groups and foster collective responsibility. The discussions covered topics such as waste segregation, proper garbage disposal, and reducing non-biodegradable waste, with participants proposing strategies for community-led cleanliness drives. The sessions instilled environmental responsibility and a sense of shared accountability among participants, highlighting the potential for significant improvements in hygiene and sustainability. This initiative successfully laid the groundwork for long-term collaboration between the college, students, and local communities to create a cleaner and healthier environment.

Health Center

21/09/2024

On 21st September 2024, World Alzheimer's Day was observed under the auspicious of the Department of Zoology and Health Care Centre at Sri A.S.N.M. Government (A) College. The event was presided over by Vice-Principal T. Krishna, who addressed the students and highlighted the significance of understanding Alzheimer's disease and its symptoms. He emphasized that the condition, characterized by memory loss, mental anxiety, and extreme behavioral changes, can be managed effectively through a healthy diet rich in vitamins and proteins. The program included active participation from Dr. M. Ramakrishna, Zoology Department Incharge; Kum. P. Jyotsna Sri, Health Care Department Incharge; and P. Srinivasa Rao, Head of the Botany Department, along with faculty members P. Sirisha and Kum. D. Hepsi Rani. Students also played a key role in raising awareness about the disease. The session featured an insightful video presentation, providing practical knowledge about precautions and measures for prevention and care. The event successfully educated participants on the importance of early recognition, healthy lifestyle practices, and community support in combating Alzheimer's disease.

Department of Economics

23/09/24

The Department of Economics at Sri ASNM Government College (Autonomous), Palakol, organized a PPT Seminar Competition on "Sustainable Water Practices" on 23rd September 2024, as part of the Jal Shakti Abhiyan initiative held at the college Seminar Hall, the event aimed to enhance awareness and inspire innovative thinking about sustainable water use and management among students. The program commenced with an inaugural session presided over by Principal Dr. T. Raja Rajeswari, who delivered an inspiring address on the importance of water conservation and active youth participation in achieving environmental sustainability. The competition featured 12 enthusiastic students from various departments, who showcased their creativity and research through engaging presentations on topics such as efficient water management techniques, rainwater harvesting, wastewater recycling, and community-level water conservation initiatives. Each participant was allotted 10 minutes for their presentation, followed by interactive Q&A sessions that added depth to the discussions and enriched the learning experience.

The event successfully fostered critical thinking and encouraged students to explore practical solutions to real-world water challenges. Participants expressed their gratitude for the platform, noting it as enlightening and motivational in adopting sustainable practices in daily life. The Department of Economics extended heartfelt thanks to Dr. T. Raja Rajeswari, faculty members, and participants for their support and contribution, as well as to the organizing committee for coordinating the event seamlessly.

Women Empowerment Cell

26-09-2024

The Women Empowerment Cell of SRI A.S.N.M. Govt College (A), Palakol, in collaboration with the sub-district Multi-member Appropriate Authority Committee, conducted an impactful awareness program on the Beti Bachao Beti Padhao initiative. The program aimed to empower young women through education, health awareness, and career guidance. Dr. T. Raja Rajeswari, Principal, emphasized the importance of setting goals and preparing for competitive exams to secure meaningful employment, inspiring students to focus on their future aspirations.

Chief Guest Sri N.B.M. Murali Krishna addressed significant topics such as the Ragging Act and the POCSO Act, while also providing information about essential toll-free helplines (100, 112, 109, 1098) for immediate support. He motivated students to aim for employment within four years of graduation to achieve self-sufficiency and a fulfilling life. The CI of Palakol Town underscored the necessity of acquiring computer skills to enhance job prospects in a competitive job market. Additionally, health educator G. Prameela highlighted crucial aspects of personal health, including menstrual hygiene, the importance of iron-rich foods, and strategies to combat anemia, ensuring better health awareness among the participants. The program witnessed active participation from police and health staff, as well as Women Empowerment Coordinator B.K.V. Ramalakshmi, members of the Women Empowerment Cell, and enthusiastic girl students. This comprehensive initiative successfully educated and inspired the participants, promoting the holistic empowerment of young women by addressing their educational, health, and professional needs.

Department of History

27/09/2024

The Department of History organized a World Tourism Day activity on 27th September 2024 in Sri ASNM Government (A) College, with the objective of creating awareness about tourism, its operations, and guidance skills, while emphasizing its role in regional economic development. The event, attended by 25 students, featured T. Krishna, Vice Principal, as the resource person, who delivered an insightful session on the theme "Tourism and Economic Growth."

The session covered the fundamentals of tourism, its impact on community development, and essential skills for careers in the tourism sector. Students actively engaged in discussions and gained practical knowledge about tourism's operational aspects and its contribution to the economy. The activity successfully enhanced participants' understanding of tourism and provided them with valuable skills, aligning with its goal of fostering awareness and encouraging community engagement. The Department of History's efforts in organizing this impactful program were highly commendable.

Cultural Club

29-09-2024

The much-awaited Freshers' Day celebration for the academic year 2024-25 was held on 28th September 2024 at Sri ASNM Government College (A), Palakol, with grandeur and enthusiasm. The event was graced by the presence of Dr. Nimmala Rama Naidu, Honorable Minister for Water Resources and Development, Government of Andhra Pradesh, as the Chief Guest, and Sri Rajani Kumar, Circle Inspector of Police, Palakollu Town, as the Guest of Honour.

The program began with a warm welcome by the President of the event, Dr. T. Raja Rajeswari, Principal of the college, who addressed the gathering, extended heartfelt greetings to the dignitaries, and inspired the students with her insightful words. The Chief Guest, Dr. Nimmala Rama Naidu, in his address, encouraged students to excel in their chosen fields of study and emphasized the importance of hard work, dedication, and discipline in achieving success. His motivational speech was well-received by the audience, especially the freshers.

Following the speeches, the Principal felicitated the Honorable Minister and the Circle Inspector as a gesture of gratitude and respect. The Principal herself was later felicitated by the Honorable Minister, highlighting the mutual appreciation among the dignitaries.

The cultural festivities began with a beautifully choreographed welcome dance by the students, setting a lively tone for the event. Various performances followed, including mesmerizing singing, energetic dance numbers, and a thought-provoking skit, showcasing the diverse talents of the students and creating an atmosphere of joy and celebration.

The event concluded with a formal vote of thanks delivered by the organizing committee, expressing gratitude to the Chief Guest, the Guest of Honour, the Principal, faculty members, and students for making the day memorable. Freshers' Day 2024 was a resounding success, marking the beginning of a new chapter for the first-year students and celebrating the vibrant spirit of Sri ASNM Government College.

యువత ఉన్నత చదువులు చదవాలి : మంత్రి

పాలకొల్లు : యువత ఉన్నత చదువులు చదివి దేశానికి, రాష్ట్రానికి మంచి సేవలు అందించాలని మంత్రి నిమ్మల రామానాయుడు కోరారు. స్థానిక ఎఎస్ఎస్ఎం ప్రభుత్వ డిగ్రీ కళాశాలలో శనివారం జరిగిన ఫ్రెషర్స్ డే లో మంత్రి ముఖ్య అతిథిగా హాజరయ్యారు. ఈ సందర్భంగా ఆయన మాట్లాడుతూ ఒకప్పుడు చదువును కొనే వాళ్లమని, ఇప్పుడు రాష్ట్ర ప్రభుత్వం పుణ్యమా అని ఉచితంగా చదువు కుంటున్నామన్నారు. కార్పొరేటు కళాశాలకు దీటుగా ప్రభుత్వ పాఠశాలలు, కళాశాలలకు రాష్ట్ర ప్రభుత్వం ఎంతో ప్రాధాన్యతనిస్తుందని, యువత సద్వినియోగం చేసుకోవాలన్నారు. అద్దేపల్లి సత్యనారాయణమూర్తి ముందుచూపుతో తన ఆస్తిని అమ్మి, కళాశాలలు స్థాపించి వేలాది మందికి యువతకు విద్యను అందించారన్నారు. కళాశాల ప్రిన్సిపల్ డాక్టర్ రాజరాజేశ్వరి, అధ్యాపకులు, నాయకులు జివి, పెచ్చెట్టి బాబు పాల్గొన్నారు.

Cultural Club

29-09-2024

The cultural activities organized during the Student Induction Program (SIP) had a profound and positive impact on the students, playing a crucial role in their transition to college life. These activities served as a platform to break down social barriers, enabling students from diverse backgrounds to interact and bond in a welcoming and inclusive environment. By fostering a sense of belonging, these events created a supportive atmosphere that encouraged participation and cultural appreciation. Students who actively engaged in the activities reported feeling more connected to their peers and the broader campus community, which significantly eased their adjustment to college. The activities not only celebrated diversity but also promoted unity, leaving a lasting impression on the participants and enhancing their overall college experience.

Department of Physics

30-09-2024

A two-day program titled “**Swarnandhra @2047**”, focusing on envisioning Andhra Pradesh’s development by the year 2047, was organized on **30th September and 1st October 2024**. The initiative aimed to engage students and participants in forward-thinking discussions and creative activities about the future of the state, marking a significant platform to inspire innovation and long-term planning. The event featured diverse activities designed to spark intellectual curiosity and critical thinking. An **Essay Writing Competition** encouraged participants to articulate their thoughts on a futuristic and prosperous Andhra Pradesh. Through their essays, participants explored themes such as sustainable development, technological advancements, social inclusivity, and economic growth, presenting innovative ideas to transform Andhra Pradesh into a model state by 2047.

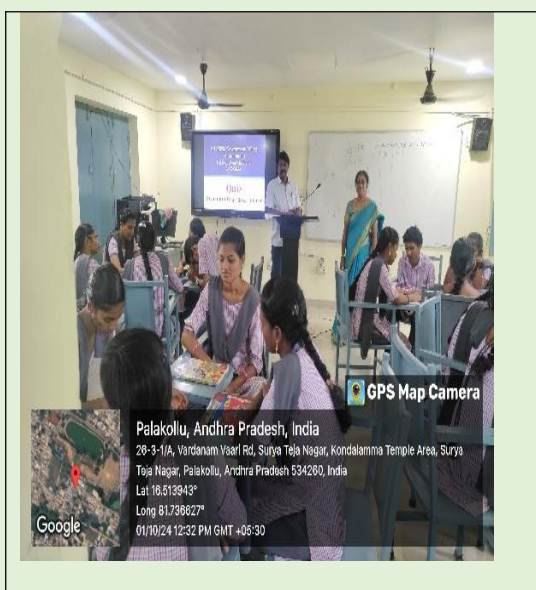

A **Debate Competition** provided a vibrant platform for dynamic discussions, allowing participants to express contrasting views on the vision for "Swarnandhra @2047." The debates were thought-provoking, as students deliberated on various topics, from industrial development and environmental conservation to education and digitalization. The activity aimed to foster critical thinking and encourage collaborative solutions for a brighter future.

The **Quiz Competition** tested participants' knowledge about Andhra Pradesh’s history, culture, current achievements, and future aspirations. This interactive session was not only engaging but also educational, inspiring participants to learn more about the state's potential and their role in its progress.

Additionally, an **Open House Program** served as an inclusive forum for participants to share their unique perspectives and innovative ideas for shaping the future of Andhra Pradesh. This session provided an opportunity for open dialogue, with participants brainstorming actionable steps to realize the vision of a "Golden Andhra Pradesh" by 2047.

Overall, the “**Swarnandhra @2047**” program successfully brought together students, educators, and visionaries to dream big and work collaboratively towards a brighter future for Andhra Pradesh.
