FEEDBACK ANALYSIS - TEACHER 2018-2019

Feedback on curriculum is a regular phenomenon in Sri A. S. N. M Government College as it aids in the quality sustenance and enrichment of the curriculum. The college updates the curriculum periodically by closely adhering to the policies and guidelines issued by the concerned regulatory authorities.

Besides catering to the needs of the students and the demands of the employers, frequent meetings are convened wherein the Management, Controllers of Examinations, Academic Coordinator of Curricular Affairs, IQAC Coordinator and the Heads of the Departments discuss Curriculum Based issues. Structured Feedback on individual courses and the syllabus of respective departments are collected semester wise from Students, Teachers, Employers and Alumni. The collected feedback is analyzed by each department. Based on the stakeholders' suggestions and recommendations, the curriculum is designed, revised and new skill-oriented courses are introduced from time to time in the Board of Studies.

The Draft Syllabus is revised in the Board of Studies and finalized. The suggestions of the University Nominees, the Subject Experts, Industrialists and Alumni are incorporated and the Action Taken Report is presented in the next Board of studies. The curriculum is then

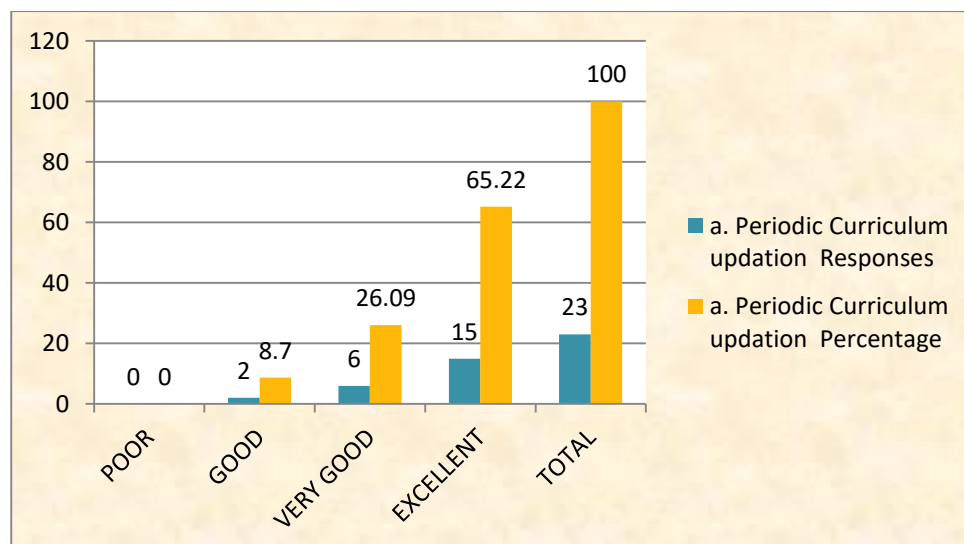

approved in the Academic Council and the Governing Body. The Suggestions brought forth by the distinguished members of the Academic Council and the Governing Body are realized and Action taken Report are presented and documented in the minutes of the Subsequent Academic Council and Governing Body.

Structured Feedback on individual courses and syllabus is obtained from the students and course teachers the end of each year; from the alumni during the Annual Alumni Meet and from the Industrialists and Employers during formal meetings.
